Are you an experienced equine Credentialed Veterinary Technician **or** Veterinary Assistant with a solid foundation in horsemanship looking to expand your knowledge while working with world class equine athletes? If so, the GROWING team at **Fairfield Equine Associates** in **Newtown, CT** may be that unicorn clinic for you!

About Us:

Since being founded in 1989, Fairfield Equine Associates has been globally recognized as one of the finest equine medical facilities in the world. From treating the top athletes at home to Olympic and other international sporting events, we strive to provide premium care and exceed client expectations. As one of the most technically advanced practices in the country, our services include digital radiography, ultrasound, nuclear scintigraphy (bone scan), onsite MRI, state of the art surgical suites, and shockwave therapy among others. A proud member of the ISELP with two board certified surgeons and 14 doctors total, our mission is to provide exemplary healthcare for every horse we treat.

What to Expect:

- **Mentorship & Utilization:** Our Doctors enjoy having the opportunity to mentor, guide and support professional development all while allowing techs to flex their skill set and partner in patient care.
- **Quality Medicine.** Our team of Doctors and Technicians utilize state of the art equipment to perform advanced techniques providing excellent care and treatment services.
- **Thriving, Healthy Culture:** We work hard, play hard, and promote a culture where everyone feels welcomed, encouraged to grow, and supported by the team!

The Ideal Candidate:

- You possess **excellent horse handling skills** and ideally have at least two years of prior experience working in the sport horse industry.
- You are **Motivated, dependable, and organized**, have a strong work ethic and a love for equine athletes and the people they come with!
- You are comfortable longeing and **jogging horses in hand** throughout the day and are familiar with equine restraint techniques for different procedures.
- You understand the importance of **clear & effective communication** among clients and team members.

- Must be able to lift and carry 50+lbs
- Must have valid driver's license and clean driving record.
